Dear President Obama,

Thank you for committing to comprehensive immigration reform as a priority this year!

Your leadership is important in building the momentum for comprehensive immigration reform within Congress, and I urge you to keep the pressure on. We need workable solutions that will move the country forward, including a path to citizenship for immigrant families, protecting the rights of all workers, reuniting families and border security that is accountable, cost-effective, and upholds human rights.

We are counting on you to keep comprehensive immigration reform moving forward!

Dear Representative,

As Arizonans, we know that workable solutions for our failing immigration system are urgently needed and will benefit the entire country. It's un-American to deport or drive out 12,000,000 undocumented immigrants -- and the status quo is unacceptable. We are counting on your support of a reform that includes a path to citizenship for immigrant families, protecting the rights of all workers, reuniting families and border security that is accountable, cost-effective, and upholds human rights.

The Time is Now! We are counting on you to keep comprehensive immigration reform moving forward!
