

DON'T LET THE LEGISLATURE AND THE GOVERNOR OFF THE HOOK! ENOUGH IS ENOUGH!

Wednesday, March 10th at 12:00pm

**Join us to deliver thousands of postcards to Arizona Governor
Jan Brewer telling her to VETO HB2632/SB1070**

Why: Russell Pearce's SB1070 (and similar House version HB2632) is the most far-reaching anti-immigrant bill ever introduced in the Arizona Legislature. The bill rolls together seven bills that Pearce has tried to push through the last few years but failed. This year, because of the governor and make-up of the legislature, this bill is likely to become law very quickly. Among other things, the bill:

- Creates an additional state crime of trespassing and gives law enforcement the authority to arrest someone if they have probable cause to believe they are undocumented;
- Ties the hands of local law enforcement by forcing them to prioritize immigration enforcement over other public safety responsibilities;
- Prohibits drivers from attempting to hire day laborers for the purpose of employment;
- Criminalizes transporting, harboring or shielding anyone if the person knows or disregards the fact that they are undocumented;

Don't let the legislature and the Governor off the hook! Enough is enough!

Let them know they are driving Arizona down a disastrous path that will 1) cost the state millions, 2) chase away businesses, 3) penalize people looking for work, and 4) make our communities less safe and policing less effective.

Here's what you can do:

1. Wednesday, March 10th --Tell Governor Brewer to VETO SB1070/HB2632!

Join us at her office at 1700 W. Washington St. in Phoenix to deliver thousands of postcards demanding she veto a bill that will cost our state millions while attempting to drive out immigrant families. Hear from the breadth of Arizona leaders who are opposed to this legislation and announce the next steps to challenge this law and its proponents like Russell Pearce.

For Southern Arizonans: A bus will be leaving from 842 S. 6th Avenue, Tucson at 9:30am sharp. Reserve your seat today by calling 520.623.4944. They will go quick. Plan on returning by 3:30pm and bring your own lunch.

2. Download the postcard at www.borderaction.org and get your friends and family to sign hundreds of them. Bring them on Wednesday or drop them off at Border Action Network’s office at 842 S. 6th Avenue, Tucson.

3. Sign up to Receive E-Alerts from www.borderaction.org on Monday, Tuesday and Wednesday to bombard the legislature and Governor with emails, phone calls and faxes. The Senate already passed Russell Pearce’s SB1070. The House of Representatives has two floor votes left for HB2632 and they’re likely to rush them through early next week. Don’t let them do it without hearing from you!

If you don’t have access to a computer or Internet, you can call officials offices directly to tell them this message: Vote NO on HB2632/SB1070. The bill would drive Arizona down a disastrous path that will 1) cost the state millions, 2) chase away businesses, 3) penalize people looking for work, and 4) make our communities less safe and policing less effective.
